

Numeracy

- The Yellow Team will be exploring symmetry.
- All teams will look at colours, shapes and related areas of Autumn.
- The Green Team will be exploring, using and drawing shapes to make houses.
- All teams will be identifying and sequencing numbers through play.

We will be playing and learning outdoors every day. Please remember to dress your child in warm clothing.

ELC
November - December
2020

Health and Wellbeing

- Our Wellbeing Indicators for these months are 'Achieving and Nurtured' and we will be discussing these through talking and listening activities in our teams.
- Road safety, fireworks and bonfire night will be explored by the children with the emphasis on being safe and looking after ourselves and others.
- As always, sharing, caring and turn-taking are encouraged and supported.
- All things 'Christmas' will be happening in the ELC, including activities to encourage thinking of others and the 'real' story of Christmas. Prepare yourselves for all the glitter!

Literacy

- The children continue to be immersed in rhyme and letter sounds, and are thoroughly enjoying these experiences.
- All children are encouraged to mark-make regularly and throughout our learning environment, there will be opportunities for letter identification/correct formation and alphabet experiences.
- Book Week Scotland will allow for extended opportunities in Literacy, especially story-telling and book making.
- During December, opportunities will be available for the children to write letters to Santa and to investigate the Nativity Story further.
