

Lanark Primary ELC Newsletter

September 2022

We would like to offer a warm welcome back to last session's returning children and their families, and extend this welcome to our new children and families who have recently joined us. All of our early learners have settled in well and we look forward to the exciting times ahead with them and working in partnership with all parents and carers.

The children have been very busy over the last month, in the playroom and outdoors, and are enjoying playing, learning and having fun together. They have been learning about the wellbeing indicator of 'Safe' and have been experiencing lots of different activities around this theme. They have also been developing their interest in books and created a reading den outside to explore a variety of stories with their friends!

As always, if you have any concerns or issues, please call or email (through our dedicated address lanarkelc@glow.sch.uk) to speak with Mrs Lyons (Team Leader) or contact the school office through our communication app, many thanks.

The Staff Team

Homelink Folder

Our staff team will continue to send a piece of work home throughout the session (Homelink Folders), to let you share in your child's learning experiences within the ELC. When you receive your child's Homelink Folder, please share the work together with your child and complete the comments box for both the child and parent/carer section. It is important that you return the folder back into the ELC by the date recorded on the slip. We hope that you find this initiative enjoyable and worthwhile, as we work together in partnership to help your child reach their full potential.

We hope that you enjoy sharing the work with your child and thank you for your continued support.

Bookbug

Bookbug is the Scottish Book Trust's Early Years programme, encouraging parents and children to share in stories, songs and rhymes from birth. Mrs Lyons currently leads our weekly Bookbug sessions with our early learners in the playroom, however we will soon be inviting parents/carers back into the ELC to join in with these fun sessions. Download the Songs and Rhymes App, which is one more way to fit songs and rhymes into your day!

Wellbeing Indicator of the Month – Safe

Every month we introduce/reinforce one of the areas which helps our children explore their wellbeing and how this can be improved or supported. This month's focus is on SAFE- which includes learning about how to stay safe online, road safety, stranger danger and keeping you safe from harm. Ask your child about the different ways that they can stay SAFE!

Staffing- Student

We are delighted to welcome our Foundation Apprentice, Miss Lana Hynds, this month who will be with us every Tuesday until the end of session. We wish her the very best of luck and know that she will have an enjoyable experience working closely with our fabulous staff team, alongside our amazing early learners!

Children's Achievements

If your child has any achievements outwith the ELC, please let us know through our dedicated ELC email address or inform their keyworker, and we will share any photos on our Twitter feed. We like to celebrate the success of our early learners in and outwith the playroom!

Every week, a keyworker from one of the teams chooses a 'Star of the Week' and they receive a special certificate and sticker from Mrs Crook, our Head Teacher.

Once a Week, Take a Peek!

Headlice are not for sharing,
So get a kit and be caring,
So just remember-
Once a week, take a peek!

Communication/'Keeping in Touch'

The Primary School App, website, Twitter and our dedicated ELC email address (lanarkelc@glow.sch.uk) are our main forms of communication, alongside our joint school and ELC Sway newsletter. Please take the time to read through all the information.

We will also send out our monthly ELC newsletter following the Sway.

Woodlands Play

Our daily 'Woodlands Play' sessions will commence on **Tuesday 27th September**, with our early learners visiting our woodlands every morning, Monday to Friday each week, from 9am to 10.20am in order to experience regular outdoor play in a natural environment.

We are very privileged here at Lanark Primary ELC to have our very own woodlands within our safe, establishment grounds. The outdoor environment has great potential for pre-school learning, offering motivating, exciting, creative, challenging and relevant learning experiences. Outdoor learning experiences are often remembered for a lifetime and provide relevance and depth to the curriculum in ways that are difficult to achieve indoors. These daily quality learning experiences in our woodlands will also connect our learners with the outdoor world and offer opportunities for personal and learning skills development in areas such as communication, problem solving, teamwork and resilience.

As our learners will be heading to our woodlands first thing every morning, **they should come to the ELC dressed appropriately e.g. warm clothing, long sleeved tops, waterproof jackets/trousers, hats, scarves, gloves and suitable footwear (boots/wellies)**. The children will not be getting changed first, they will go straight out into the woodlands.

Gentle Reminder

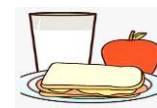

Thank you to all parents/carers who have provided the ELC with a change of clothes. Can we ask that if your child requires to use these, you replenish them so that we always have an extra set in the event of any accidents.

Please remember that dogs are not permitted in the school grounds.

Lunches

If you know your child is going to be late in, can we kindly ask that you call the ELC to us know what they would like for lunch **before 9.30am**. **This allows us to inform the canteen staff well in advance, many thanks.**
