

### Numeracy

The class will focus on place value before moving onto addition and subtraction.

#### Place Value

- Read, write and order numbers
- Round numbers to the nearest 100/1000/10000/1000000

#### Addition and Subtraction

- Solve addition and subtraction problems using written and mental strategies.
- Successfully use a calculator to add, and subtract.

Mental maths and problem solving skills will be visited consistently throughout the term with our focus being on quick recall of times tables and solving problems in a 'real life' context.

### Health and Wellbeing

Pupils will engage with the '8 Wellbeing Indicators' and will explore how the indicators can help us to keep on top of our social, emotional and physical wellbeing. Pupils will focus on skills such as: team work & coordination during both indoor and outdoor PE slots. Our focus in Health & Wellbeing will be on emotional literacy through which children will be encouraged to think about a range of emotions and how to identify them in themselves and others.

### Homework

Homework will consist of a mixture of: preparing reading, a maths task, a short spelling activity and topic based homework. If you have any questions or queries regarding your child's homework, please do not hesitate to contact me. Your support is very much appreciated!

**Primary 7/6**

**Miss Rattray**

**August-October 2018**

Gym days are:

Monday (indoor)

and Thursday (MUGA)

### Science

This term Primary 7/6 will be investigating natural materials and will be going onto create some chemical reactions.

#### Religious & Moral Education

Using Divided City as our stimulus, children will develop their awareness of discrimination and values such as fairness, equality and human rights.

### Literacy

This term we are reading Theresa Breslin's novel 'Divided City.' Through this novel study, pupils will develop skills in predicting, connecting, determining importance and inferring. Grammar and punctuation will be visited throughout the term with the emphasis on transferring this learning into everyday writing. Pupils will also develop their writing skills including writing a persuasive and narrative piece.

#### French

Pupils will consolidate: basic greetings, numbers to 31, days of the week and months of the year.

### Topic

Our topic will be linked to our class novel, Divided City. Children will develop their skills in:

- Selecting evidence to research current social issues.
- Gathering information about forms of discrimination whilst considering the impact the impact this has.
- Discussing issues of the diversity of cultures, values and customs in our society.
