

**AILEEN CAMPBELL
MSP FOR CLYDESDALE**

Dear all,

As we approach the summer holiday period, I wanted to write to thank everyone in the school community for all the work that has gone on during this unprecedented challenge for us all – it really is appreciated

Over the last three months, so much of our everyday work and life has changed. I know that teachers have had to adopt new methods of teaching, and pupils have adjusted to home schooling.

For those moving on to high school, I would like to extend my best wishes to you for the future. This has not been an easy way to finish your time in primary school, but you are embarking upon a new chapter in their life and I know you will achieve great things. And for those returning to school in the new term, I hope you all manage to have an enjoyable summer, despite the ongoing restrictions to life as we continue to cope with this pandemic.

I know how much our schools care about their pupils and it has been that care and compassion that will ensure our children and young people continue to be equipped with the education and resilience they need.

So thank you for all you and your team are doing and thank you to the pupils who are all contributing towards the effort to enable our country to move forward. If you ever need anything, my office remains open in the meantime, I hope you manage to enjoy a break over the summer. Best wishes for the new term.

Look after yourself and stay safe.

A handwritten signature in black ink that reads "Aileen Campbell".
