

Numeracy

Pupils will have many opportunities to add and subtract, using mental strategies and tactile resources such as number lines, base 10s and cubes. This term, Big Maths will focus on addition of 2 and 3.

Pupils will be learning to tell the time: O'clock, half past and quarter past.

The language of division and multiplication will be introduced and fractions facts explored.

Homework

- Phonics and Common Words
- Reading
- Maths
- Writing

Literacy

Pupils will continue to work through the phonics and spelling programme relevant to their stage.

Pupils will work through the reading programme and will continue to enhance comprehension skills.

Pupils will continue to be taught 1-2 writing lessons a week. Children will focus on persuasive writing through reports, posters and leaflets.

Primary 2/1

Miss Fabian

January - March 2019

Gym days are Tuesday (indoors) and Friday (outdoors)

Health and Wellbeing

This term our HWB indicators are Active, Respected and Responsible. This will be explored through P.E, healthy lifestyles and food and health.

P.E

Through a variety of games, this term, we will be learning to develop an understanding of our role in a team to support each other and help the performance of the whole team. We will also develop an understanding for rules in games.

Science

This term Primary 2/1 will be learning all about magnetism.

Topic

This term children will explore under the sea and the creatures that live there. They will explore different climate zones around the world to compare and describe how climate affects living things and consider ways of looking after and caring for their environment.

R.M.E

During this term pupils will be learning about Christianity and Easter. Pupils will explore ways to feel safe and protect others.

ICT

Pupils will practise logging on and off the computers independently and develop ICT skills learned in class. To help further develop literacy and numeracy skills, pupils will access various activities on Ipads.
