

Numeracy

Pupils will continue to revise ordering, writing and counting numbers up to 100.

Pupils will have many opportunities to add and subtract, using mental strategies and tactile resources such as number lines, base 10s and cubes.

This term, Big Maths will focus on addition of 2 and 3.

Other areas of learning will include, telling the time using analogue and digital clocks; O'clock and half past and data handling.

Topic

This term our topic is, 'When Gran and Grampa were young'. Pupils will be involved in creating timelines and family trees. We will also explore how music, fashion, transport and holidays have changed over the years.

R.M.E

This term our focus will be on Christianity. Pupils will have the opportunity to learn about the Easter story.

French

Children will use French daily. Our focus this term will be to learn the colours in French and the names of classroom objects.

Homework

Homework will be issued on a Monday and is due back on the Friday. This is designed to give pupils the opportunity to consolidate their daily learning. Activities will include:

- Phonics and Common Words
- Reading
- Maths - Learn its
- Talking and Listening task
- Scots Poetry

Primary 2

Mrs Morton and Mrs McLeod

January - April 2020

Gym days are

Monday (indoors) and Thursday (outdoors)

ICT

To help further develop literacy and numeracy skills, pupils will access various activities on the computers and iPads.

Science

This term we will be learning about materials and the movement of toys.

Literacy

Pupils will continue to work through the phonics and spelling programme relevant to their stage.

Pupils will work through the reading programme and will continue to enhance comprehension skills. Emphasis will be placed on reading with fluency and expression alongside answering oral and/or written comprehension questions.

This term the children will be exploring Scots language with the opportunity to recite a Scots poem.

Pupils will continue to be taught 1-2 writing lessons a week. We will be learning to write function pieces, such as letters and instructions. We will also be learning to write stories using some Scots language.

Health and Wellbeing

This term our HWB indicators are Active, Respected and Responsible. This will be explored through P.E, healthy lifestyles and food and health.

In P.E, we will be exploring central net and wall games. During our MUGA time, we will be learning how to play hockey.
