

Numeracy

Pupils will continue to progress through the 'Big Maths', mental maths programme. Our Learn Its for this term is the 2 times tables. The Learn It songs can be accessed through Google Classroom on your child's Glow account.

Megaminds: Pupils will continue to develop their skills, strategy repertoire and mental ability in Subtraction within 1000. Learning of all times tables will be a main focus in the class and for homework. Pupils will learn to multiply a 2/3-digit number by a single digit or 10. Pupils will learn to divide a 2/3-digit number by a single digit or 10.

Math-a-magicians: Pupils will continue to embed their number bonds to allow for quick recall of subtraction facts and to assist them when subtracting from 2/3 digit numbers. Learning of the 2, 3, 4, 5 and 10 times tables will be a main focus in the class and for homework.

Primary 4

Miss Oswald

Apr-June 2019

Homework

Spelling- Tasks will alter according to the spelling week in class. Please refer to your child's diary to identify which week it is and then refer to the front of your child's homework jotter for the assigned tasks for that week.

Reading- set chapters/pages per week. This will then be used in class for discussions and comprehension tasks.

Numeracy- mixture of worksheets, websites and RM Easimaths.

Homework will be distributed on a Monday and collected on a Friday. Please encourage your child to bring their homework folder and reading book with them every day. Thanks for your support.

Literacy

Spelling

Pupils will continue to progress through the spelling programme on a 4-week rotation. On the Friday of every 4th week, dictation will be used to assess pupils' retention and learning of the spelling of the phonemes, common words and spelling rule words. Over the month of June, we will consolidate all Stage 4 spelling.

Reading

We will continue to develop our reading strategies and expand our reading skills. This term we will focus on summarising, inferences and challenging vocabulary to secure our understanding of a text. Using a dictionary and the internet to find out the meaning of unfamiliar words will be encouraged in class, please encourage this at home.

Writing

Our main focus this term will be functional writing. Pupils will have experience writing instructions and persuasive pieces. Pupils will continue to expand their VCOP and note-taking skills.

Topic- 'Our Community'

Pupils will learn about Lanark through a focus on housing and mapping skills. Our topic will make comparisons between Lanark and the City of Glasgow. We will have our class trip this term.

Health and Wellbeing

Pupils will continue engage with the remaining Health and Wellbeing Indicator: 'Included'. The class will begin exploring the topic of 'Sexual Health and Relationships'. This term as a class we will be participating in the Daily Mile- this is 4/5 laps around the playground each day.

In P.E., we will be participating in athletics and circuit training with a focus on achieving personal bests and improved fitness. This will also be in preparation for the upcoming Sports Week. Gym days are Mon (outdoors) and Thurs (indoors).

RME

Pupils will learn about Ramadan. Ramadan starts on the 5th of May and finishes on the 4th of June. We will learn about the celebration of Eid-ul-Fitr, which will occur on the 4th and 5th of June 2019.
