

Numeracy

Data and Analysis

Children will be able to:

- Read and interpret bar charts, pie charts, line graphs and trend graphs.
- Use IT to display the results of a survey using tables, bar graphs, databases, bar graphs, spreadsheets and line graphs.
- Use a variety of methods to gather data, e.g. observations, surveys, questionnaires, experiments
- Recognise when presentation is misleading and discuss possible causes for this.

Pupils will continue to engage with 'Big Maths' on a daily basis in order to increase their speed and accuracy when recalling tables facts. Problem solving skills will be visited throughout the term with the focus being on solving problems in a 'real life' context.

P7 Transition

It's that time already... the final term for our P7 pupils, and what a busy last term it is going to be! P7 will begin preparing for their transition to S1 by completing the following:

- . Pupil Profiles for LGS which detail their interests, achievements, strengths and any areas for development.
- . 2 day visit to Lanark Grammar School (12th-13th June).
- . LGS Maths challenge.
- . 2018/19 Yearbook which P7 pupils will write, edit and produce using an online template.

Enjoy your last term at LPS, P7!

Sports Week

This year, our annual sports week will run from 27th May - 1st June. Parents and Carers are welcome to attend our potted sports event on Monday 27th May and our competitive races on the afternoon of Wednesday 29th May.

Primary 7/6

Miss Rattray

May-June 2019

Bikeability for P6

This term, Primary 6 will have the opportunity to take part in bikeability training. The purpose of the training is for children to develop their skills and confidence on a bike and to encourage children to cycle safely at all times. The bikeability training will take place on Thursday afternoons. It is mandatory that your child has an approved cycle helmet and that it is worn at all times during training.

Science

This term the pupils will learn to create their own electrical circuits.

Primary 7 Oscars Ceremony

Our P7 Oscars Ceremony will take place on **Thursday 20th June**. Children will be required to hand in or email a baby photo... the funnier the better! These will be scanned and returned. Alternatively, these can be emailed to office@lanark-pri.s-lanark.sch.uk

Literacy

This term, children will be reading a novel in their groups and will be undertaking related tasks including: evaluative questioning, synthesising and determining importance. Children will develop their recount, discursive and poetry writing this term whilst also continuing to focus on transferring their learning in grammar into their everyday writing. Children will continue to engage in talking and listening circles in order to develop their skills in clarifying a point, asking relevant questions and speaking clearly with confidence. Children should continue to complete their First Minister's Reading Challenge booklets with their reading achievements.

Health and Wellbeing

This session, children will continue to engage with the wellbeing indicators. The focus of our learning in Health and Wellbeing this term will be Relationships, Sexual Health and Parenthood. Children will focus on developing their stamina during training sessions for athletics, triathlon and sports week.

French

This term children will consolidate their learning of basic greetings in French. Children will learn simple phrases and vocabulary linked to classroom objects. Children will develop their skills in using a French dictionary to find the meaning of unfamiliar words.
