

Numeracy

Pupils will continue to work on the numbers 0 through to 10.

Pupils will begin to work on addition and subtraction within 10 and use the symbols +, - and = to solve addition calculations.

In Data Handling pupils will have the opportunity to gather information and display this on pictograms, bar graphs, tally charts and Venn diagrams.

Room 1 will start to explore money, recognising different coins and about how money is used.

Homework on Google Classroom

- Phonics and Common Words reading and writing.
- Reading - please read every night.
- Maths - Learn its and Online activity.

Primary 1

Room 1 - Mrs Gracie and

Mrs Forsyth

Oct-Dec 2023

Literacy

Pupils will continue working through the P1 phonics and common word spelling programme, aiming to know most letters by Christmas. Each child works through the reading programme at their own pace, with individual challenges. Most words that children will read are taught common words, or consonant-vowel-consonant words that can be sounded out.

We are now learning to use a capital letter at the start of a sentence, a full stop at the end, and finger spaces between words.

Health and Wellbeing

This term our HWB indicators are Healthy, Achieving and Nurtured. Children will:-

- Develop opportunities to be physically active.
 - Know that physical activity is enjoyable and healthy and should be part of a daily routine.
 - Learn how to achieve a healthy diet.
- In PE pupils will participate in social dancing and further develop their teamwork skills.

Gym days are Wednesday (indoors) and Thursday (outdoors).
Woodlands is on a Monday.

R.M.E

This term our focus will be on Christianity. Pupils will have the opportunity to learn about the Christmas story.

We will also learn about the Hindu celebration of Diwali and the stories and traditions relating to this festival.

French

Pupils will learn numbers (0-10) and continue common phrases such as please and thank you.

Science

In Science, Room 1 will be continuing to learn about senses and begin to investigate sources of energy.
