

Numeracy

Pupils will be able to:

- Solve addition and subtraction problems involving up to 6-digits (P7) and 5-digits (P6) using written and mental strategies.
- Use all coins and notes, and be able to compare costs.
- Solve addition, subtraction, multiplication and division calculations involving money amounts (decimal point sums).
- Revise reading digital and analogue time and converting between 12hr and 24hr time.
- Calculate complex time durations.

Big Maths Learn Its

- **Algebras:** 12 x table
- **Squadrilaterals:** 8 x table
- **Mathletes:** 3 x and 4 x table

Health and Wellbeing

Across the year, pupils will engage with the 8 Wellbeing Indicators. This term we will focus on the indicators Achieving and Nurtured.

In P.E., we will be participating in team games and possession games including Netball and Rugby.

Indoor P.E : Tuesday
Outdoor P.E : Wednesday
Woodlands : Friday

A waterproof jacket should be worn for outdoor activity days. A change of shoes can also be brought for P.E & Woodlands days if you wish.

Primary 7/6

Room 9 – Mrs Ross

Nov-Dec 2022

Homework

Spelling: Complete an Active Spelling task with your wordlist in your homework jotter weekly.

Reading: Complete 20 minutes of LESSONS on Reading Eggs (3 times a month) & reading comprehension task (once a month).

Numeracy: 1 task to be completed on Google Slides, Docs or Forms and to be submitted on Google Classroom (3 times a month). 20 minutes of RM Easimaths (once a month, but can be used more if you wish). Weekly practice of Big Maths Learn Its.

Cost of the School Day Topic

Pupils will be:

- Comparing uniform prices
- Budgeting our class trip
- Informing the school about ways LPS reduce the Cost of the School Day

Literacy & Languages

Spelling: Pupils will focus on a spelling rule each week.

Reading: P7s will focus on non-fiction texts and complete a mini book study of 'A Christmas Carol'. P6s will complete a Michael Morpurgo author study and choose their own text.

Writing: Pupils will write a personal recount every week through 'Weekend News'. Pupils will enjoy some Free Writing sessions. Finally, pupils will complete a narrative writing piece linked to our LPS Badger Project.

BSL: Pupils will continue to learn to sign the days of the week, seasons, numbers to 50 and the BSL alphabet.

French: Pupils will continue to revise the days of the week, months of the year, seasons, weather and numbers to 50.

Science with Miss Forbes

P7 - In Science, the children will be investigating and comparing a range of forces and their practical applications.

P6 - In Science, the children will be observing and researching features of our Solar System.
