

Numeracy

This term we are learning about Fractions, Percentages and Decimals. Pupils will be able to:

- Understand the relationship between percentages, fractions and decimals and applying their knowledge help them solve worded problems.
- Develop their understanding of percentages, fractions and decimals by learning: equivalent and simplified fractions. As well as improper and mixed fractions and understanding these concepts in real life scenarios.
- Pupils will be expanding their multiplication and division skills by revisiting or introducing long multiplication.

In Measure, pupils will be able to:

- Estimate, measure and order weight, volume, length and area in standard units.
- Convert one unit of measure to another (e.g. ml to l, g to kg).
- Read and use scales in measure.
- Calculate the perimeter and area of regular and irregular shapes.

Health and Wellbeing

Across the year, pupils will engage with the *8 Wellbeing Indicators*. This term we will focus on the indicators *Active*, *Respecting* and *Responsible*. We will continue to use Emotion Works to understand our emotions, focusing on the intensity of emotions and regulation strategies. We will discuss the various types of relationships children can have that have a positive impact on their wellbeing.

P.E

Our P6 and 7s have the option to participate in Cross Country training on **Wednesdays** and **Fridays** at Kildare Park. Those choosing not to participate in Cross Country will focus on fitness development through various games and teambuilding activities in outdoor PE (Wednesday) and indoor PE (Fridays). Appropriate clothing and footwear are required for all sessions.

Primary 7/6

Room 9

Mrs Ross & Miss Lamarra

Feb-Mar 24

P7 LGS Transition Mission

This term marks the beginning of the Lanark Grammar School's Transition Mission programme. P7s will participate in a series of lessons set by the LGS staff to aid their transition to LGS. We are excited for the pupils to get their first 'sneak peak' into LGS life!

Literacy & Languages

Spelling: Pupils will focus on a spelling sound or subject specific words each week.

Reading: Willy Wonka Reading group have started their new novel study of 'Dragon Fire' by Anne Forbes. Dumbledore Reading group are reading 'Carries War' by Nina Bawden.

Toothless Reading group will begin reading 'The Hundred-Mile-An-Hour-Dog' by Jeremy Strong. All groups will be developing their understanding of the novels through reading strategies such as visualisation, inference, and summarising.

Writing: Taught writing sessions will focus on Explanation, Persuasive and Narrative texts. Pupils will continue to develop their 'Show Don't Tell' skills to describe settings and characters to engage and interest the reader.

BSL: Pupils will be exploring how to communicate their interests in BSL, such as hobbies and favourite foods.

Fast Fashion

Pupils will be learning about:

- What is fast fashion?
- Why shopping sustainably is important.
- Why fast fashion disadvantages communities over the globe.
