

Numeracy

The children will be:

Given opportunities to extend and develop further their mathematical knowledge of counting, number recognition, sequencing and identification of a missing number in a number line.

Days of the week and months of the year will continue to be developed through Team Time activities.

Health & Wellbeing

The children will be:

Developing an awareness of simple food preparation whilst learning about Pancake Day (Shrove Tuesday).

Working in pairs/groups to help develop sharing and turn taking skills.

Participating in physical activities in the gym hall.

Gym Hall

Gym is on a Thursday afternoon.

ELC

January - March
2025

Outdoor Learning

Woodlands play has recommenced on Tuesday, Wednesday and Thursday mornings (please ensure that children come suitable dressed for the weather).

Don't forget to label all clothing.

PEEP SESSIONS with Mrs Lyons

Please look out for dates and times for your child's session in the learning journals.

TEAM VISITS to Crosslaw

Please look out for dates and times in the learning journals.

Literacy

The children will be:

Learning and reciting a Scots' poem/song. Continuing to develop their mark making/ writing skills in all areas of the ELC.

Engaging and exploring different texts and stories.

Looking at and discussing the key features of books and texts.

Creating their own stories and sharing these stories with their peers.

Learning Across The Curriculum

The children will be:

Creating lots of fabulous Valentines/ Easter related crafts and pieces of art using a variety of different media.

Learning about the season "Spring" and the changes that occur.

Researching "Easter" using ICT.
